

37326 to 37376.

From Pyeng Yang, Chosen (Korea). Presented by Rev. W. M. Baird, Union Christian College, through the American consul. Received February 17, 1914.

"Bean seeds. I have been unable to find out their characteristics. Many kinds of beans are grown here. I was able to secure some privately; also at one of the public exhibitions I was able to secure from Honorable Matsunagi, governor of this province, who was the patron of the fair, samples of all the seeds exhibited there, but without descriptions."
